

REACHING ROMANIA

Christmas Greetings to you all

It is that time of year when we rejoice in the birth of our Lord and Saviour who came into the world as a Light full of Love. It is through His awesome Love for us that we are able to reach out and touch the hearts of those who need our support.

Our Romanian friend, Adina joined us in Wales twice this year & has been such a help with fund raising & preparing Christmas packages. The consignment has arrived in Romania ready for personal distribution. A heartfelt "Thank You" to everyone who has supported us in any way throughout the year. Your generosity continues to make a difference to the everyday lives of the poor, sick and vulnerable around our projects.

We apologise for the delay in the launch of our new website due to circumstances beyond our control. We hope to have it up and running early in the New Year.

May God Bless you richly during this festive season and throughout 2016.

The leaders Marius & Elena have a new programme & team which includes an English teacher. Funds are still needed for transportation costs & purchase of instruments & equipment.

"SEED TIME & HARVEST - CHURCH CHILDREN'S PROGRAMME & PROJECT 2ND CHANCE AT VINGA: We provide financial support for both these programmes but more funds are required for travelling costs & school supplies for the "2nd Chance" Project providing poor older children with an opportunity of returning to school to finish their education.

MOCREA PSYCHIATRIC HOSPITAL & THE CENTRE FOR MINORS: We help with funds & crafts towards this essential weekly ministry providing love, spiritual support, refreshments & craft activities to vulnerable adults & children.

PRE-PLACED CHILD DEVELOPMENT PROGRAMME: A team visits the Baby Unit at the city hospital 5 mornings per week to care for babies in need of support. We provide financial help, toys, toiletries, nappies etc for this essential work.

ADINA'S MINISTRY: Adina is a qualified social worker who has supported our work in Romania for the past 10 years. We provide financial assistance towards her ministry expenses in Romania.

SUPPORT FOR INDIVIDUALS IN NEED: **Iasmina** who has spina bifida & is hospitalised for around 6 months of the year desperately needs funding towards her huge medical expenses. **Natalia** from a very poor family is still receiving growth hormone treatment with positive results. **Alina** from a poor family has her University tuition fees paid by the Charity. Financial help is needed to cover her accommodation charges. We also support poor families with food parcels as the Lord directs.
