Easter Greetings to you all,

Spring is a time of new life with the birth of little lambs and spring flowers in full bloom. Through the death and resurrection of Jesus Christ we too can have new life if we choose to believe in Him.

A rural mud brick house

Our new website has been launched with up to date information on all our projects.

Please take a look and give us feedback. Our AGM at will be held at Hirwaun Library on Saturday, 4th June at 10 am. All are welcome.

Widow Mina with her vitamin drinks

Irene, Wayne and Adina spent 3 busy weeks in Romania in December taking receipt of our Christmas consignment, joining in Christmas programmes and distributing gifts around the ministries. It was a rewarding trip.

May you feel the love & joy of our Lord and Saviour this Easter.

The Projects

Children's Homes

7 children are being sponsored in the Osana & Maranatha Homes but more need support. 100% of sponsorship funds goes towards education, health care, food and clothing. Please contact Irene if you would like to help.

"Jesus Generation" Club & Music School, San Nicolau Mic

We support the running costs of this thriving ministry. The new programme is going well and Marius has bought an old minibus to help with transportation of the children from local villages. Funds are needed for purchase of instruments & essential equipment for the Club and for running costs of the minibus.

"Seed time & Harvest Church - Children's Programme & "Project 2nd Chance at Vinga

We provide financial support for both these programmes but more funds are required for travelling costs & school supplies for the "2nd Chance" Project providing poor older children with an opportunity of returning to school to finish their education.

Mocrea Psychiatric Hospital & The Centre for Minors

We help with funds & crafts towards these essential weekly ministries providing love, spiritual support, refreshments & craft activities to vulnerable adults & children.

Baby Ministry - Pre-Placed Child Development Programme

A team visits the Baby Unit at the city hospital 5 mornings per week to care for babies in need of support. We provide financial help, toys, toiletries, nappies etc for this essential work.

Homeless

We support individuals and a Night Shelter with food and Christmas gifts.

Widows Mite Project

40 vulnerable elderly people on low pensions are supported with monthly food baskets, wood, medication & sanitary items. Sadly in January this year we lost Roza from Vinga and Rozalia from Arad.

Adina's Ministry

Adina is a qualified social worker and has assisted us in Romania for the past 10 years. We provide financial assistance towards her ministry expenses in Romania. Adina is currently supporting us in Wales.

Support for individuals in need

Iasmina who has spina bifida and other medical problems requires funding towards her huge medical expenses. **Alina** from a poor family has her University tuition fees paid by the Charity. Financial help is needed to cover her accommodation charges. We also support poor families with food parcels as the Lord directs.

Soteria Baptist Clinic

We collect in-date pain relief and other medication to send to this clinic which provides free medical care to poor families who cannot afford to pay.
